

Lamb of God Maternity Home

Lamb of God Maternity Home is a beautiful home located in North San Diego county. We are determined to care for each one of the women who live in the home with great compassion, walk alongside them through all of their healing processes, and show them that there is great hope for each and every one of their lives! We are so proud that the women we care for made a courageous decision to not only choose *a life* for their babies but *a life* through the gift of adoption. We know that their brave decision needs to be supported, so we established a home where they live at no cost to them. The girls are supported during and after the process, and are provided endless opportunities to leave the home the very best version of themselves!
